SERGEY ANDREEV

CHIEF TECHNICAL OFFICER

HEAD OF ENGINEERING

Profile

IT leader with over 10 years of experience in development and product team management. I specialize in building effective development processes and creating scalable technical solutions for growing businesses.

I have successful experience in optimizing IT processes and implementing technical innovations, which has allowed companies to significantly reduce costs and accelerate growth. I'm looking for an opportunity to apply my experience in an ambitious project where I can help the team reach new heights.

ACHIEVEMENTS

- Building successful teams and products for 10+ years
